

# NEVER DARK

## WHOLE HOUSE GENERATORS

C-VILLE (434)-975-3275  
RICHMOND (804)-359-3275

# 14 KW / 17 KW / 20 KW

Generac Guardian Series

GE (General Electric) or  
Generac Guardian Series

GE (General Electric) or  
Generac Guardian Series

Please choose from **16 to 18** circuits to be safeguarded by the generator (double pole breakers such as the well pump count as 2). NEVER DARK has made a list of the most popular circuits for your convenience or to help you think of things you may not have considered such as your dog collar, etc. Please feel free to make changes that fit your home and lifestyle

NOTE: Only one zone heating and cooling on these air cooled models. ( unless load shedding technology is used )

NOTE: Electric clothes dryer, dishwashers, and electric ovens are typically not included on these air cooled models

NOTE: AC unit up to 86 LRA on 14 KW model    AC unit up to 100 LRA on 17 KW model
